Career Objective

Ambitious Computer Engineering student with a solid grounding in software development, networking, and web technologies. Proven success in managing complex projects and enhancing system performance through innovative solutions. Seeking a role where I can apply my technical expertise to drive impactful results and continue my professional growth in a dynamic environment.

Key Skills

Technical skills:

- Programming Languages:** C, C++, C#, Java, Python
- Web Technologies:** HTML, CSS, JavaScript, PHP
- Database:** MySQL, PostgreSQL
- Networking:** Wireless Networking, Cisco Certified Network Associate (CCNA), Microsoft Certified Solution Expert (MCSE), CCTV
- Framework & Libraries:** Bootstrap, Spring Boot, Angular, Django, Node.js
- Tools & Technologies:** Photoshop CC 2024, CorelDRAW x7, Office 365 Suite

Professional Attributes:

- Customer Relations:** Proven ability to communicate effectively across diverse cultural and demographic backgrounds, ensuring high-quality customer service.
- Strategic Problem Solving:** Skilled in logical and systematic approaches to problem-solving, with a history of achieving positive outcomes.
- Team Collaboration:** Dependable team player with excellent time management and teamwork capabilities, consistently contributing to the success of group projects.
- Leadership:** Experienced in managing teams and projects, delivering tasks on time, and maintaining team motivation through constructive feedback.

Projects

Personal Budget Application

Sep 2024 – July 2025

Skill: React native, JavaScript, HTML, CSS, Google Firebase, API, Node.js

Tracking financial budget of individuals for daily expenses.

Airport Management System

June 2024

Skill: Python, Django, HTML, CSS, JS, Bootstrap and Postgres

Improved issue resolution by 20%, boosting team productivity.

Note-Taking Web Application

Jan 2024

Skill: HTML5, CSS, JS, PHP, Bootstrap and MySQL

Streamlined information management, increasing usage and positive feedback.

Hospital Management System	Dec 2023
Skill: Java, Spring Boot Framework, MySQL	
Optimized data management, reducing errors by 15%	
Hand-Written Digital Classifier using Neural Networking (Deep Learning)	Nov 2023
Skill: Python	
Developed a high-accuracy neural network for digital classification	
Hotel Management System	Sept 2022 – Dec 2022
Skill: C#	
Enhanced booking and reservation processes.	
Banking Management System	Jan 2022 – Apr 2022
Skill: Java	
Facilitated secure financial transactions	
Telecom Payment Services System	Oct 2021 – Dec 2021
Skill: C (Programming Language)	
Automated billing, improving customer service.	
<hr/>	
Achievements	
Oxford English Language Level Test (ELLT) – Overall Level: 8	Nov 2025
Oxford International Digital Institute	
IELTS – Overall Band: 6.0	Feb 2025
IDP Education	
3rd Coding Competition	May 2023
Held at Istanbul Aydin University	
<hr/>	
Relevant Experience	
Research Assistant at Industry 4.0 Research Centre	Oct 2024 – July 2025
<ul style="list-style-type: none">Explored cutting-edge advancements in Industry 4.0 technologies.Designed experiments to validate research hypotheses.Assisted in preparing grant proposals and funding applications.	
Research Assistant intern at Istanbul Aydin University	March 2024 – May 2024
<ul style="list-style-type: none">Analysed data and documented findings.Conducted literature reviews.Collaborated on presentations and critical analysis.	
Front-End Developer Intern at Caretta Software Company	Nov 2023 – Jan 2024
<ul style="list-style-type: none">Developed UIs with Angular.Integrated APIs for responsive design.Built scalable web application.	
Research Intern at Istanbul Aydin University	Oct 2023 – Jan 2024
<ul style="list-style-type: none">Collected and analysed research data.Conducted literature reviews and report writing.	

- Presented research findings.

Network Technician at Tawhid Almas Logistics Company	July 2023 – Sept 2023
<ul style="list-style-type: none"> Installed and troubleshoot networks. Monitored network performance. Managed backup and recovery. 	

IT Support Specialist at Tawhid Almas Logistics Company	July 2022 – Sept 2022
<ul style="list-style-type: none"> Provided troubleshooting and software support. Maintained hardware. Managed email support. 	

Assistant Manager at Qurtuba Institute	April 2018 – April 2019
<ul style="list-style-type: none"> Managed admissions and inquiries. Coordinated staff activities. Developed timetable. 	

Education and Certification

Bachelor of Computer Engineering – CGPA: 3.36/4.0	Sept 2021 – July 2025
Istanbul Aydin University	

React Native	March 2025
Meta Coursera	

Unsupervised Learning, Recommenders, Reinforcement Learning	Sept 2024
Stanford Coursera	

Supervised Machine Learning: Regression and Classification	Aug 2024
Stanford Coursera	

Technical Support Fundamentals	Oct 2023 – Dec 2023
Google Coursera	

Crash Course of Python	Oct 2023 – Nov 2023
Google Coursera	

Introduction to Large Language Model	Oct 2023
Google Coursera	

Introduction to Generative AI	July 2023
Google Coursera	

Introduction to C++	June 2020 – Nov 2020
Microsoft EDx Online Learning	

C++ and CCTV Technical Course	Sept 2019 – Oct 2019
Erasoft IT Institute	

Cisco Certified Network Associate (CCNA)	June 2019 – Aug 2019
Erasoft IT Institute	

Wireless Networking	Aug 2019
Erasoft IT Institute	

Diploma of English Language (DEL)	July 2019
--	------------------

Khurasan University

Microsoft Certified Solution Expert (MCSE)
Erasoft IT Institute

May 2019 – July 2019

Photoshop CC & CorelDraw x7
Qurtuba Leading Institute

March 2018

IELTS Academic Test Preparation
University of Queensland | EDx Online Learning

Dec 2017

High School Year 12
Al-Taqwa High School

May 2017

Language(s)

- Dari (Native)
- English (Fluent)
- Hindi (Conversational)
